

Energy Producer

Production

You focus on how much energy a facility can actually deliver.

Solar Farm

Grid Operator

Flexibility

*You work to keep the energy supply stable,
even when consumption or production changes.*

Solar Farm

Rooftop Solar System

A 3D illustration of a rooftop solar system. It shows a brown roof with a large array of blue solar panels. A white hexagonal icon is overlaid on the bottom right, containing a stylized drawing of a solar panel and a smartphone, representing the integration of solar energy with mobile technology.
